

Atoms Homework

Name _____

Answer these questions about the atom on the right.

1. # of Protons & Charge _____
2. # of Neutrons & Charge _____
3. # of Electrons & Charge _____
4. What's the atomic number? _____
5. What's the atomic mass? _____
6. Name of atom? _____

Fill in the blank spaces in the table.

Element	Proton	Neutron	Atomic Mass
Hydrogen	1		1
Carbon	6	6	
Calcium		20	40
Fluorine	9		19
Potassium	19		39
Oxygen		8	16

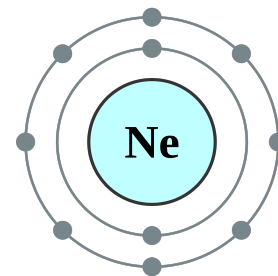

Which subatomic particle identifies the atom? _____

Atoms Homework

Name _____

Answer these questions about the atom on the right.

1. # of Protons & Charge _____
2. # of Neutrons & Charge _____
